Sub: Request permission to install freedom fighter, Vadde Obanna's statue in -----

Sir/madam,

In connection with installation of Vadde Obanna's Statue in our locality, we first bring to your kind attention, an irrefutable historical fact that happened a decade before the sepoy mutiny of 1857. This particular armed struggle against British East India Company rule, which is confirmed by retrieved folklore, ballads and company logs took place on the banks of Kundu river in Rayalaseema region and was lead by Uyyalavada Narasimha Reddy.

In this armed rebellion, palegar Narasimha Reddy's main accomplices were his chieftain Vadde Obanna and guru Gosayi Venkanna. It's unfortunate that apart from the leader of the rebellion and guruji, the most important character in an armed struggle, the valiant chieftain, Vadde Obanna never got the deserved place in the history.

We feel that it's our pride and responsibility to restore the deserved place for our freedom fighter, Vadde Obanna atleast from now. In this connection we request your permission and help in installing Vadde Obanna's statue in -----

We along with everyone from ----- pledge our cooperation in every phase of this statue installation including identifying the spot for installing this statue and maintaining the same under the aegis of the civic authorities.

Thanking you,

Yours sincerely,

---- people
